Description

Prestige Vehicles are delighted to offer for sale this Very Special Car, Ferrari 360 Spider F1. Finished in the Stunning Grigio Alloy metallic blue with full Leather interior, Looks and drivers incredible! Performance 5 out of 5 The Spider uses the same 3.6-litre V8 engine as the coupe model, complete with five valves per cylinder and 400bhp to rocket it from 0-62mph in 4.5 seconds and on to 183mph. There was no Challenge Stradale version as with the coupe model, but that doesn't stop the Spider remaining one of the fastest open-top cars money can buy. Driving with the roof down allows you to hear the high revving engine all the more clearly and it sounds superb when pushed hard. However it's also docile at lower speeds and remarkably smooth and fuss-free in town, with none of the temperament of older Ferraris. Most Spider buyers opted for the F1 transmission with paddle shift.
